

WISH CONFERENCE

Date: November 10, 2026

NEW LOCATION: Santa Clara Convention Center

GSA WLI'S Technical Conference and Awards Ceremony is a unique event bringing together industry luminaries, entrepreneurs, and university STEM students. This event will showcase the changing face of technology interspersed with exciting individual and company awards. Join us in celebrating the women who have helped to break the glass ceiling and those who are following in their footsteps. Unlike other conferences, GSA WLI will not charge university students to participate. Join our industry in supporting gender parity.

WISH 2025 HIGHLIGHTS:

Over 1,000 attendees from around the world came to learn, network, and uplift each other.

- Total of **57 speakers**
- **3** panel discussions on **Executive Leadership, Talent, and AI**
- **17 speakers** from the industry's most influential companies on the main stage, including GSA Founder and CEO Jodi Shelton and author Sylvia Acevedo, Board Member, Credo and Qualcomm
- Total **40** Technical Paper and Poster Presenters:
 - **18** Technical Paper Presenters
 - **22** Poster Presenters

Celebrating industry women for their achievements:

Dr. Julie Sheridan Eng, Coherent Recipient of the Dr. Lisa Su Woman of Innovation Award

Manisha Gambhir, Marvell Recipient of the Rising Women in Semi Award

Yanfang Le, AMD, Recipient of the Female-Up and Comer Award

Marvell, Recipient of the Designing the Difference Award

WISH 2026 promises to be even bigger and more exciting. We plan to expand the conference to increase our in-person attendance to **1,000+ people**.

AWARD SPONSOR: \$58,000

Three exclusive awards are available for sponsorship:

Rising Women in Semi Award | Exclusive: SOLD

The Rising Women in Semi Award recognizes three to four female nominees who are considered rising leaders by their individual companies. These nominees should have made exceptional contributions toward the development, innovation, growth and success of the semiconductor industry and made a huge impact during her time in the industry, which should be more than 10 years but less than 20 years.

Female Up and Comer Award | Exclusive: SOLD

The Female Up and Comer Award recognizes and profiles the next generation of young women in the semiconductor industry. Companies are encouraged to identify women with a technical background and education within their organization who have been in the industry five years or less and have made exceptional contributions toward the development, innovation, growth and success in her short time in the industry. Nominations reviewed by an all-female committee that will select the top four candidates for recognition at the GSA WISH Conference. There, a winning recipient will be announced and presented with the Female Up and Comer Award.

Designing the Difference Award | Exclusive: SOLD

The Designing the Difference Award recognizes companies who are making a significant and measurable impact on advancing the semiconductor industry through diversity and inclusion. Nominations were reviewed by a committee that will select the top three companies for recognition at the WISH Conference. There, a winning company will be announced and presented with the Designing the Difference Award.

Sponsorships include:

- Twenty (20) Complimentary passes for executives and non-executives. Full page ad in the virtual event proceedings booklet.
- Logo featured in the virtual proceedings booklet and sponsor page of event website.
- Sponsor company logo/name listed as **Award Sponsor** on: event website/event signage/electronic mailings/sponsor section of proceedings booklet/pre-event press releases/media alerts.
- Sponsor company receives two-minute remarks during the award presentation and has the opportunity to present the award on-stage to the recipient.
- Sponsor company receives opportunity to provide corporate giveaways.

"Still feeling energized, inspired, and humbled after the GSA WISH event earlier this week. That's what a room full of 1,000 women does to you - it fills you with energy, purpose, and a renewed belief in what's possible when we lift each other up."

Isha Arora, Coherent

“Proud to have Marvell Technology as the Title Sponsor, with Janice Hall kicking off the event and emphasizing the importance of women’s leadership in her keynote. It was fantastic to hear from Marvell’s CEO, Matt Murphy, about the new Executive Accelerator Program that he is sponsoring for women leaders in the semiconductor industry. During the event, I was deeply inspired by the stories and leadership examples shared by talented women in the tech industry.”

Alua Suleimenova, Marvell
